Dear Sir / Madam

RE: Commemorative book for Primary school children to mark The Queen's Platinum Jubilee

As part of The Queen's Platinum Jubilee celebrations, the UK Government has commissioned a free book for all primary aged school children across the United Kingdom to celebrate the achievements of the Monarch over the last 70 years.

The Welsh Government, who are responsible for education in Wales, have decided that pupils will **not** automatically receive this book, and schools need to opt in and order these books.

I am disappointed that the Welsh Government have taken this stance, which makes it unnecessarily difficult for our children to receive this commemorative book.

I truly hope that you will sign up to receive this book, so that pupils across Flintshire can learn more about the history of the United Kingdom and the outstanding contribution, duty and service that our Queen has given to our country over the last 70 years.

Schools in Wales don't have long to sign up for this time unique and special gift. **The deadline to opt in is Wednesday 11 May 2022.** More information can be found on my website, where books can be ordered via the online form. Please visit rjroberts.co.uk/news/queens-platinum-jubilee-book.

Alternative, to ease the administrative burden, my office is willing to place the order on your behalf all you need to do is email ray.faulderjones@parliament.uk confirming you would like the books ordering.

If I can be of any help to you of your school in the future, please do not hesitate to get in touch.

With best wishes,

Yours
